Programme N0312A200010: International Masters in Economy, State and Society

Academic year 2024/2025

- International Masters in Economy, State and Society aka IMESS is a double-degree programme based on cooperation of the School of Slavonic and East European Studies (University College of London), which is the main coordinator of the programme, and seven other universities: University of Belgrade (Serbia), Charles University (Czech Republic), Corvinus University of Budapest (Hungary), Helsinki University (Finland), Jagiellonian University (Poland), University of Tartu (Estonia).
- The programme, with the first year spent at the School of Slavonic and East European Studies (University College of London) and the second year at one of the seven mentioned universities, concentrates on the area of Central, Eastern and South-Eastern Europe and Eurasia. IMESS is divided into four specialisms: Economy & Business; Politics & International Economy with an emphasis on Economics or Politics; Politics & Security; History & Society. Each specialism focuses on language training, research methods and on selected and important issues of the area according to teaching and scholar orientation of the each of the mentioned universities. Successful graduates will be given a double degree (UCL and one chosen university) and a diploma supplement issued by the IMESS consortium.

Academic supervisor: doc. PhDr. Jiří Vykoukal, CSc.
